ANNEXURE TO NOTICE

EXPLANATORY STATEMENT UNDER SECTION 102 (1) OF THE COMPANIES ACT, 2013

Item No. 3:

Pursuant to the amended Regulation 23 of the SEBI Listing Regulation, effective from April 1, 2022, a transaction with a related party shall be considered as material if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, whether directly and/or through its subsidiary(ies), exceed(s) ₹ 1,000 crore (Rupees One thousand crores) or 10% (ten percent) of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower, and such material related party transactions exceeding the limits, would require prior approval of Shareholders by means of an Ordinary Resolution.

During the Financial Year 2024-25, the Company recorded a turnover of Rs. 34.54 Lakhs. In accordance with the criteria as provided in the Regulation 23 of the Listing Regulations, any transaction or series of transactions with a related party shall be considered material if the aggregate value exceeds 10% of the annual turnover—i.e., ₹ 3.45 Lakhs in this case or Rs. 1000 Crore, whichever is less.

Based on these criteria, the Management anticipates that the aggregate value of transactions with M/s. Munoth Investment and Finance Company Private Limited during the Financial Year 2025–26 may exceed the aforementioned threshold. Accordingly, it is proposed to seek the approval of the Shareholders for entering into material related party transactions with M/s. Munoth Investment and Finance Company Private Limited.

The Company undertakes Related Party Transactions as part of a well-considered strategic approach aimed at leveraging the specialized expertise and capabilities of entities within the group. These transactions facilitate seamless access to essential resources, services, and knowledge, thereby enhancing operational efficiency and ensuring alignment with the Company's broader business objectives. All such transactions are conducted in a transparent manner and in compliance with applicable regulatory frameworks to uphold the highest standards of corporate governance.

The Company seeks approval of the Shareholders for entering into the transactions of i) Sale, purchase or supply of any goods or materials and ii) Selling or otherwise disposing of, or buying, property of any kind; iii) Leasing of property of any kind; iv) Availing or rendering the services; v) Appointment of any agent for purchase or sale of goods, materials, services or property; vi) such related party's appointment to any office or place of profit in the company, its subsidiary company or associate company; vii) underwriting the subscription of any securities or derivatives thereof, of the company, its subsidiary company or associate company with M/s. Munoth Investment and Finance Company Private Limited for an amount not exceeding Rs. 50.00/- Lakhs (Rupees Fifty Lakhs).

The consent of the Shareholders is sought for passing an Ordinary Resolution as set out at Item No. 3 of this Notice, in relation to the details as stated above and thus the Board of Directors recommends the said Resolution for the approval of the Shareholders of the Company as an Ordinary Resolution.

Information required to be disclosed in the Explanatory Statement for Item Nos. 3 pursuant to the SEBI Circular SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024 & RPT Industry Standards dated June 26, 2025, are as follows as per, are as follows as per **Annexure B(i)**.

Item No. 4:

Pursuant to the amended Regulation 23 of the SEBI Listing Regulation, effective from April 1, 2022, a transaction with a related party shall be considered as material if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, whether directly and/or through its subsidiary(ies), exceed(s) ₹ 1,000 crore(Rupees One thousand crores) or 10% (ten percent) of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower, and such material related party transactions exceeding the limits, would require prior approval of Shareholders by means of an Ordinary Resolution.

During the Financial Year 2024-25, the Company recorded a turnover of Rs. 34.54 Lakhs. In accordance with the criteria as provided in the Regulation 23 of the Listing Regulations, any transaction or series of

The Board evaluated the effectiveness of its functioning, that of the Committees and of individual Directors, pursuant to the provisions of the Act and SEBI Listing Regulations. The Board sought the feedback of Directors on various parameters including:

- Degree of fulfillment of key responsibilities towards stakeholders (by way of monitoring corporate governance practices, participation in the long-term strategic planning, etc.);
- Structure, composition, and role clarity of the Board and Committees;
- Extent of co-ordination and cohesiveness between the Board and its Committees;
- Effectiveness of the deliberations and process management;
- Board / Committee culture and dynamics; and
- Quality of relationship between Board Members and the Management.

The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017.

The Chairman of the Board had one-on-one meetings with each Independent Director and the Chairman of the Nomination and Remuneration Committee had one-on-one meetings with each Executive and Non-Executive, Non-Independent Directors. These meetings were intended to obtain Directors' inputs on effectiveness of the Board/ Committee processes.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, the Board as a whole, and the Chairman of the Company was evaluated, taking into account the views of Executive Directors and Non-Executive Directors.

The Nomination and Remuneration Committee reviewed the performance of the individual directors and the Board as a whole.

In the Board meeting that followed the meeting of the independent directors and the meeting of Nomination and Remuneration Committee, the performance of the Board, its committees, and individual directors was discussed.

The evaluation process endorsed the Board Members' confidence in the ethical standards of the Company, the resilience of the Board and the Management in navigating the Company during challenging times, cohesiveness amongst the Board Members, constructive relationship between the Board and the Management, and the openness of the Management in sharing strategic information to enable Board Members to discharge their responsibilities and fiduciary duties.

The Board carried out an annual performance evaluation of its own performance and that of its committees and individual directors as per the formal mechanism for such evaluation adopted by the Board. The performance evaluation of all the Directors was carried out by the Nomination and Remuneration Committee.

The performance evaluation of the Chairman, the Non-Independent Directors and the Board as a whole was carried out by the Independent Directors. Annexure T to Board's Report

Management Discussion and Analysis Report ("MDAR")

A. Overview of the Indian Economy:

India's economy continues to be one of the fastest-growing major economies in the world, supported by strong domestic demand, structural reforms, and digital transformation. In recent years, GDP growth has remained resilient despite global headwinds, driven by robust performance in sectors like manufacturing, services, infrastructure, and financial technology. Key economic indicators such as improving tax collections (GST), growing foreign direct investment (FDI), and stable inflation have contributed to macroeconomic stability. Government initiatives like "Make in India," "Digital India," and infrastructure-led development have further enhanced India's long-term growth outlook.

For a financial services company like Munoth Capital Markets Ltd, the positive momentum in the Indian economy presents significant opportunities. Economic expansion typically leads to increased capital market activity, higher corporate earnings, and stronger investor participation. Additionally, rising financial literacy, a growing middle class, and the shift toward formal financial investments (equities, mutual funds, SIPs) have fueled demand for brokerage and advisory services. However, Munoth must also remain cautious of challenges such as global economic uncertainty, policy changes, and interest rate volatility, which can impact market sentiment and investment flows. Overall, India's economic outlook offers a supportive backdrop for Munoth's growth in the capital market space.

B. Overview of Capital Markets:

India's capital markets have witnessed rapid growth in recent years, driven by increasing retail investor participation, digital adoption, and regulatory reforms. This shift towards the financialization of savings—where more individuals invest in equities, mutual funds, and other financial instruments—has significantly boosted market depth and trading volumes. Munoth Capital Markets Ltd operates within this dynamic environment as a financial services company primarily focused on stockbroking and investment services. The company serves both retail and institutional clients, with a particular emphasis on micro-cap and small-cap segments. It is also empanelled with banks and insurance companies for institutional broking, providing an additional stream of business.

The expanding investor base and market volatility present Munoth with opportunities to grow its brokerage revenue and client footprint. Moreover, regulatory initiatives aimed at improving transparency and investor protection help level the playing field for smaller firms. However, the company also faces several challenges, including stiff competition from larger, technology-driven brokers, rising compliance costs, and the inherent volatility of capital markets, which can lead to inconsistent revenues. Navigating these dynamics effectively is crucial for Munoth Capital Markets to sustain and scale its presence in India's evolving financial ecosystem.

C. Outlook:

The outlook for Munoth Capital Markets Ltd remains cautiously optimistic, following a return to profitability and significant year-on-year revenue growth in FY 2025. The company's debt-free status and niche focus in the micro-cap segment offer strategic advantages in a growing capital market environment. However, persistent challenges such as low return on equity, high valuation multiples, and an expanding working capital cycle continue to weigh on its long-term fundamentals. While short-term momentum appears positive due to increased retail participation and market volatility, sustaining growth will depend on improving operational efficiency, enhancing client acquisition, and navigating the inherent risks of the small-cap sector. Overall, Munoth's future prospects will rely on its ability to translate improved market conditions into consistent financial performance and value creation.

D. Indian Stockbroking Industry:

The Indian stock broking industry has experienced robust growth over the past few years, driven by rising financial literacy, digitalization, and a surge in retail investor participation. With the growing popularity of online trading platforms, direct equity investments, and systematic investment plans (SIPs), the industry has evolved from traditional brokerage models to tech-enabled, low-cost solutions. Regulatory reforms by SEBI, increased transparency, and easier access to capital markets have further fueled expansion.

However, the sector remains highly competitive, dominated by large, well-capitalized players offering integrated financial services. For firms like Munoth Capital Markets Ltd, this evolving landscape presents both opportunities and challenges. The company can benefit from increasing market participation and demand for specialized services in the micro-cap space but must also invest in technology, compliance, and client engagement to remain competitive and relevant in a rapidly changing broking environment.

The India Security Brokerage Market size is estimated at USD 4.25 billion in 2025, and is expected to reach USD 5.75 billion by 2029, growing at a CAGR of 7.89% during the forecast period (2025-2029).

Overall, the security brokerage market in India is dynamic and influenced by a combination of economic, regulatory, technological, competitive, demographic, and global factors. Adapting to market dynamics and meeting client needs are key challenges and opportunities for brokerage firms operating in India. Source: <https://www.mordorintelligence.com/industry-reports/security-brokerage-market>.

E. Opportunities and Threats:

OPPORTUNITIES:

- **Growing Market Participation:** More retail investors are entering the stock market and increased demand for brokerage and investment services.
- **Market Volatility:** Fluctuating markets lead to higher trading volumes and opportunity to earn more through commissions and fees.
- **Institutional Broking Expansion:** Already empanelled with banks and insurance firms and can scale up services in this segment.
- **Strong Financial Position:** Debt-free balance sheet and allows flexibility for future investments or expansion.
- **Niche Market Focus:** Specializes in micro-cap and small-cap segments and less competition from large brokers in this space.

THREATS:

- **Unstable Financial Performance:** Inconsistent profitability across quarters and may affect investor confidence.
- **Intense Competition:** Faces strong pressure from larger brokerage firms.
- **Liquidity Concerns:** Increase in working capital cycle and can strain short-term operations.
- **High-Risk Investment Profile:** Rated as high risk by analysts and limited margin for error in performance.
- **Low Capital Efficiency:** Weak ROE and ROCE figures and indicates poor use of investor funds.

F. Segment-wise or product-wise performance:

The Company is operating in only one segment i.e. Depository Participant and Share Broking. Therefore, there is no requirement of Segment wise reporting.

G. Future Outlook:

The company anticipates moderate growth in the near term, supported by improved profitability and rising retail investor participation. However, continued focus on operational efficiency, risk management, and client acquisition will be key to sustaining long-term performance in a competitive broking environment.

H. Internal control systems and their adequacy:

Munoth Capital Markets Limited has established a robust internal control framework designed to ensure the integrity of its financial reporting, compliance with applicable laws and regulations, and the effective management of operational risks. The internal control systems are regularly reviewed and updated in line with changes in regulatory requirements and business operations. These controls cover key processes including client transactions, risk management, compliance, accounting, and reporting.

I. Discussion on financial performance with respect to operational performance:

The financial performance of the Company for the Financial Year 2024-25 is described in the Directors' Report of the Company.

J. Material developments in Human Resources / Industrial Relations front including number of people employed:

The cordial employer - employee relationship also continued during the year under the review. The Company has continued to give special attention to human resources.

K. Material Financial and Commercial Transactions:

During the year there were no material financial or commercial transactions.

L. Key financial ratios:

In accordance with the SEBI (Listing Obligations and Disclosures Requirements) Regulations 2018 (Amendment) Regulations, 2018, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in Key sector-specific financial ratios. In this regard, the Company has significant changes in key sector specific financial ratios is described in the Financial Statement of this Annual Report.

M. Human Resources:

Munoth Capital Markets Limited recognizes its employees as a vital asset and maintains a focused, skilled workforce to support its operations in the financial services sector. The company promotes a culture of performance, compliance, and continuous learning through regular training and skill development initiatives. Emphasis is placed on adaptability, teamwork, and professionalism to meet evolving market and regulatory demands.

N. Caution Statement:

Statements made in the Management Discussion and Analysis describing the various parts may be "forward looking statement" within the meaning of applicable securities laws and regulations. The actual results may differ from those expectations depending upon the economic conditions, changes in Government. Regulations and amendments in tax laws and other internal and external factors.

Opinion

We have audited the Financial Statements of **MUNOTH CAPITAL MARKET LIMITED** (hereinafter referred to as the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (collectively referred to as 'Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the Financial Statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2025, and its Profit, other comprehensive loss, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the annual report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, Cash Flows and Changes in Equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company

has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or

when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure A" - a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that :
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account;
 - d) In our opinion the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) On the basis of written representations received from the directors as on March 31, 2025, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Company has not paid and provided remuneration to its directors during the year.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure-B.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report that:
 - i) The Company does not have any pending litigations which would impact its financial position other than those mentioned in notes to accounts;
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii) There were no amounts which were required to be transferred to the Investors Education and Protection Fund by the Company;
 - iv) (a) As per the information and explanation given to us by the management, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate

Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) As per the information and explanation given to us by the management, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) On the basis of above representations, nothing has come to our notice that has caused us to believe that the above representations contained any material mis-statement.
- v) The Company has not declared or paid any dividend during the year.
- vi) Based on our examination, which included test checks, and other generally accepted audit procedures performed by us, we report that the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE-B TO INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph 2(f) under the 'Report on Other Legal and Regulatory Requirements' our report to the members of **MUNOTH CAPITAL MARKET LIMITED**, ('the Company') for the year ended on March 31, 2025.

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Act

We have audited internal financial controls over financial reporting of **MUNOTH CAPITAL MARKET LIMITED** ('the Company") as of March 31, 2025 in conjunction with our audit of the Financial Statements of the Company for the year then ended on that date.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities includes design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of business, including adherence to Company's policies, the safeguarding of the assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and Guidance note require that we comply with ethical requirements and plan and perform audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide a reasonable assurance regarding the reliability of financial reporting and preparation of Financial Statements for external purpose in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that the transactions are recorded as necessary to permit preparation of Financial Statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material aspects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

28. Financial Risk Management Objective & Policies

This section gives an overview of the significance of financial instruments for the Company and provides additional information on the balance sheet. Details of significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial assets and financial liabilities are disclosed.

I. Financial Instruments by Category (Rs. in '00)

Particulars	Carrying Value		Fair Value	
	31/03/2025	31/03/2024	31/03/2025	31/03/2024
At Amortised Cost				
FINANCIAL ASSETS				
Investments	12,340	11,687	9,831	11,787
Other – Non Current Assets	5,24,131	5,04,018	5,24,131	5,04,018
Cash & Cash Equivalents	8,831	6,235	8,831	6,235
Loans	4,590	3,167	4,590	3,167

Short Term Borrowings	Nil	Nil	Nil	Nil
Trade Payables	1,160	1,486	1,160	1,486
TOTAL	5,426	5,174	5,426	5,174

The management has assessed that the fair value of Trade receivables, cash & cash equivalent, current loan and advances, other non-current and current asset, borrowings and trade payables approximate their carrying amounts largely due to the short-term maturities of these instruments.

Fair Value Hierarchy

The different levels have been defined below:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

Although, all Financial Asset and Financial Liabilities were valued at amortised cost and therefore there are no asset which are valued at Level III hierarchy.

29. Ratio Analysis

Ratio	Numerator	Denominator	Current period	Previous period	% variance
Current Ratio	Current assets	Current liabilities	25.50	26.95	-5.37%
Debt Equity Ratio	Total Debt	Total Equity	0.01	0.01	13.92%
Return on Net worth (note 1)	Profit before other comprehensive income	Capital + reserve - Deferred tax	(0.01)	(0.11)	-95.29%
Inventory Turnover Ratio	Cost of goods sold OR sales	Average Inventory Average inventory is (Opening + Closing balance /2)	NA	NA	NA
Trade Receivables Turnover Ratio (note2)	Net Credit Sales	Avg. Accounts Receivable	0%	4%	-100.00%
Trade Payables Turnover Ratio (note3)	Net Credit Purchases	Average Trade Payables	17.11	32.07	-46.67%

Interest Coverage Ratio (note 1)	EBITDA	Interest expenses	25.25%	-61.19%	-141.27%

Reasons for Variance

Note 1	There is increase in turnover and reduction in expenses hence, there is subsequent reduction in loss.
Note 2	Due to substantial recovery of debtors
Note 3	Due to timely repayment of the creditors
Note 4	Due to decrease in the fair value of investments

Notes to the Ind AS Financial Statements for the Year Ended 31st March, 2025

Corporate information

Munoth Capital Market Limited (the Company) is domiciled in India and is incorporated under the provisions of the Companies Act, 2013 applicable in India. The registered office of the Company is located at Shanti Niwas, Opp. Shap path-V, Near Karnavati Club, S.G. Road, Ahmedabad, Gujarat-380058, India.

Basis of Preparation of Financial Statements

These financial statements of the Company have been prepared in accordance with Ind AS prescribed under section 133 of the Companies Act, 2013 read together with the Companies (Indian Accounting Standards) Rules, 2015, the companies (Indian Accounting Standards) Amendment Rules, 2016 and the Companies (Indian Accounting Standards) Amendment Rules, 2017.

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, which have been measured at fair value as described below:

Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- 1) In the principal market for the asset or liability, or
- 2) In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Fair value for measurement and /or disclosure purpose in these financial statements is determined on such basis, except for share based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

For other fair value related disclosures refer note no 28.

1. Significant Accounting Policies

(i) Property, Plant and Equipment

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the present value of the expected cost for the decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the

statement of profit and loss, when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(ii) Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Revenue generated from production during the trial period is credited to capital work in progress.

(iii) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Brokerage income is recognized as per contracted rates at the execution of transactions on behalf of the customers on the trade date and is inclusive of service tax.

Transaction of dealing in shares & securities are booked in the accounts based on contract notes issued by the brokers and the account statements received. Transactions of derivatives are recognized under respective heads of accounts as and when the settlement takes place in accordance with the terms of respective contracts.

Income from arbitrage in securities comprises profit/loss on sale of securities held as stock-in-trade.

All incomes and expenditure are accounted for on accrual basis unless otherwise stated.

Interest income is recognized on accrual basis, while dividend on shares and securities is recognized when the right to receive the dividend is established

(iv) Taxation

Current Tax

A provision for current income tax is made on the taxable income using the applicable tax rates and tax laws.

Deferred Tax

Deferred tax arising on account of timing differences and which are capable of reversal in one or more subsequent periods is recognized using the tax rates and tax laws that have been enacted or substantively enacted. Deferred tax assets are not recognized unless there is a virtual certainty with respect to the reversal of the same in future.

(v) Impairment of Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value

in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and is written down to its recoverable amount

Impairment losses are recognised in the statement of profit and loss.

(vi) Provisions and Contingencies

The company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made.

(vii) Employee Benefits

The company has not provided for Gratuity and Leave encashment benefits till 31.03.2023. The retirement benefits will be debited as and when paid.

(viii) Foreign Currency Transactions

- a) Transactions in Foreign Currency are accounted at the exchange rate prevailing on the date of Transactions. Exchange fluctuations between the transaction date and the settlement date in respect of Revenue Transactions are recognized in Profit & Loss Account.
- b) All export proceeds not realised at the yearend are restated at the rate prevailing at the year end. The exchange difference arising there from has been recognised as income / expenses in the Current Year's Profit & Loss A/c along with underlying transaction.
- c) The premium or discount arising at the inception of forward exchange contract is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contracts is recognised as income or as expense for the year. None of the forward exchange contracts are taken for trading or speculation purpose.

(ix) Segment information

Operating Segment Reporting as defined in IndAS108 is not applicable as the company is primarily engaged only in Broking services in capital market.

(x) Borrowing Costs

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue.

(xi) Earnings Per Share (EPS)

Basic and diluted EPS is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year.
